MEMORANDUM FOR: Executive Director

FROM: Robert M. Gates
Deputy Director for Intelligence

SUBJECT: Community Response to Post Mortem
on the Soviet Brigade in Cuba (C)

The attached report specifies the recommendations made by the SRP as a result of its examination of the Cuba-Soviet brigade intelligence problem and describes the steps taken so far. From the perspective of this Directorate, the scope and pace of the actions taken are judged to be fully appropriate. Furthermore, those recommendations which involve the DDI directly or indirectly are compatible with actions being taken in the Directorate to improve planning, resource allocation, and production quality. The recommendations and actions taken do not adversely affect office-level management policies.
